Wednesday Night:	102

A Note from the Pastor...

It is hard to believe that school is starting back and summer is almost over. The summer is normally an odd time for the church. It can be challenging to invite people to church because of vacations and activities. Statistically, most churches experience a dip in attendance during the summer. However, the fall is a normally a great time of growth for the church that is faithfully working.

This Sunday is an especially exciting Sunday for the church. All the volunteers who said, "Yes" to the Nominating Committee begin their new service this week. It thrilled me to see how many people will be actively serving God this year at PRBC. The most noticeable change we will experience this week is in our Sunday School. Just about every Sunday School department will experience some change.

If you are not involved in Sunday School, this will be a great Sunday to explore one of the departments. There is nothing wrong with visiting several classes or departments over several weeks until you find the one that best fits you. This is also a great time to transition from one class to another. You may have been in a department or class for several years and a change of scenery might be helpful.

If you are joining a new class, transitioning to a new class, or staying where you are comfortable, this Sunday will truly be a great Sunday. If you need help finding your class, please contact the church office or one of our staff members. We would love to point you in the right direction.

To our new volunteers, I want to say, "Thank you!" To those who are not serving anywhere right now, you don't have to wait a year to get started. We can get you plugged into one of many important ministries of the church right away. In our worship time this Sunday, we will pray over our new volunteers, but I hope that you will join me this week in praying for them and our church daily.

I look forward to seeing you this Sunday and I look forward to hearing about your Sunday School experience this week. Great things are happening at PRBC. God is good.

Dr. Josh Cook

MoMENTum
