## A Note from the Pastor...

Several months ago, we committed as a church to our purpose which is: **to Glorify God**. We clarified that we accomplish this task through our mission: **to Make Disciples**. We also clarified that there are certain activities that every disciple should be doing: **Loving God, Sharing Life, and Serving Others**. We love God by participating in corporate worship. We share life by participating in small groups (Sunday School). We serve others by using our gifts, talents and abilities in service. It is good to know these things, it is better to do them. This week I thought it might be fun to give ourselves a self-check-up. In the space below, put a checkmark in the activities that you have completed for each week. Did you attend worship? You can check the loving God space. Did you attend a small group with people in a similar life stage as you? Check the sharing life space. Did you serve that week? Give yourself a check.

Week    Loving God    Sharing Life    Serving Others

3/20-26

3/27- 4/2

4/3-9

4/10-16

How did you do? Is everything checked? What can you do better this week? It may be that you need to say no some this week to service opportunities so can strengthen another area. Discipleship is more than checkmarks, so don't brag about your results. However, a healthy disciple will have balance. Let's commit to be healthier in the future.

I look forward to seeing you in church this week. Praise God for the great things He is doing at PRBC.

Dr. Josh Cook
